

Pervasive Developmental Disorders: Diagnosis, Options, and Answers (Paperback)

By Mitzi Waltz

Future Horizons Incorporated, United States, 2003. Paperback. Book Condition: New. 277 x 211 mm. Language: English . Brand New Book ***** Print on Demand *****. If you or someone you know has been diagnosed with a pervasive developmental disorder (autism, Asperger's Syndrome, Rett Syndrome, Childhood Disintegrative Disorder, or PDD-NOS), this book is for you. In an informative style, weaved with personal stories from parents, author Mitzi Waltz covers various topics: getting a diagnosis (including preparing for a diagnostic interview in a medical, psychiatric, or school setting, with descriptions of all diagnostic tests and checklists/questions used by professionals); treatment options (such as medications/supplements, sensory integration, occupational/physical/speech therapy, behavior modification, Floor time, and more); and coping with diagnosis and treatment (including emotions and support systems, insurance, and educational plans).

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
