So the excellence of Virgil's romance was bound to be recognized at a time when its peculiar sentiments must have been widely intelligible; when its martial passages would appeal to those fond of the romances of chivalry, and its pathos to those who favored the sentimental love-story. Virgil had come down through the centuries with undiminished fame; in the schools of the Roman Empire he had been considered the foremost Latin classic, a rank which his perfection of diction and his charm of genuine and deep sentiment had assured him from the outset. During the dreary stretch of the Middle Ages, grammarians, scholastics and rhetoricians found in him a fruitful source for their numerous but dissimilar teachings; even at the very ebb-tide of learning, during the dark ages, he continued to be a large factor in whatever culture was left in the schools, all of which was no doubt due to the fact that his name and fame had been handed down as a tradition among all the peoples who had inherited Roman civilization notably of the fourth book, on the Greek romances would be difficult to trace and Rohde does not consider it in his great work, *Der griechische Roman...*
