ALEXANDER BOOKS, United States, 2000. Paperback. Book Condition: New. 2nd edition. 229 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Alexander Lake was a big game hunter, but a hunter with a difference. At a time -- the late 1940s and early 1950s -- when hunters were selling macho yarns filled to overflowing with false bravado, Lake began debunking all the myths that had been making the rounds. Indeed, when *Killers in Africa* was first published, the advertising tagline was *The truth about animals lying in wait and hunters lying in print!* This book, drawn from a number of Lake's magazine articles written while in Africa, covers the animals he hunted, species by species, all told with a round the campfire feel.
