Createspace, United States, 2010. Paperback. Book Condition: New. 102 x 61 mm. Language: English . Brand New Book ***** Print on Demand *****. Become a better investor by learning the basic laws and theories of money and investing. Long time national financial radio host, educator, and investment advisor, Don McDonald shares, in an easy reading format, the truth about how investing is meant to work (for you) and some simple methods of avoiding bad investments and building a better portfolio for you future. Presented as a workshop in a book, Don's first in a series of Vestorials (investment tutorials) will make the building wealth easy for anyone. As painlessly as possible, Financial Fysics sets out to provide that basic primer on money and investing that few, if any, of us received, at any point in our lives. It is an effort...
