

## Analyzing the Development of the American Child Support System: A Study in Social Policy Development

By Ruth Gillie Krueger

iUniverse. Paperback. Book Condition: New. Paperback. 420 pages. Dimensions: 9.0in. x 6.1in. x 1.1in. On August 22, 1996, President William Clinton signed into law the Personal Responsibility and Work Opportunity Act of 1996. Media and government sources portrayed this act as the most important welfare reform since the passage of Social Security in the New Deal 61 years earlier. The hype around welfare reform overshadowed a significant section of the act entitled, Title III Child Support. This section of the act made major changes in the child support program that is charged with the task of establishing, enforcing and modifying child support orders for children with non-residential parents. This book tells the story of the development and passage of the 1996 child support reforms. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

### Reviews

*These kinds of publication is the greatest pdf available. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Lorena Streich

*It becomes an awesome pdf that I have actually read through. It really is full of knowledge and wisdom You may like how the writer compose this book.*

-- Amanda Gleichner
