But few are as healthy and tasty as baked chicken. Baking or roasting chicken helps preserve all the essential juices inside and keeps the pounds at bay. In fact, compared to broiled chicken, baked chicken has about half the fat and double the protein. This book contains a fairly exhaustive collection of all the best baked chicken recipes. From the classic baked chicken recipes to barbequed chicken breast to baked chicken casseroles, this recipe book has it all. The best thing about baking chicken is that it takes less than an hour to get done, so you can basically whip up a delicious meal in a short time. Whether you have to cook for family on a daily basis or you have guests coming over, this book has recipes that suite all occasions and seasons. All the recipes in this book are easy to make and have very little prep requirements. You will find most of the ingredients in your pantry already, so no need to make an extra trip to the market.
