Studies (School of Advanced International Studies (SAIS)), course: Europe after the Cold War, 14 entries in the bibliography, language: English, abstract: Most of the second half of the 20th century was marked by a strong German-American relationship whose primary roots were the United States military contributions in the fight against Nazi-Germany during World War II and its generous Marshall Plan to help rebuild a moribund German post-war economy. After the outbreak of the Cold War, deepening the transatlantic relations was a strategic necessity for both sides of the Atlantic, given the imminent geopolitical threat from the communist Soviet Union. In the decades to follow, ameliorating the partnership with the United States was, besides fostering European integration, the major goal of German foreign policy. However, the transatlantic relationship changed significantly after the end of the Cold War in the early 1990s. In the aftermath of the terrorist attacks of September 11, 2001 the German-American...
