RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 86 pages. Dimensions: 9.7in. x 7.4in. x 0.2in. This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1912 edition. Excerpt: . . . light form of type. When it is realized that the stock to carry this printing is only 50 pounds, actual weight for a 22 by 28 sheet, and that it bulks thicker than a coated paper, which would be used for a similar grade of work, its easy to see where the argument of the advocates of off-set printing gets its strength. The accompanying pages in color show a fair range of the color work in the American periodicals of the last year. The first subject presented is one of the series from the National Academy (previously referred to). In these plates the delicacy of tone in the original has been faithfully adhered to, and the plates were of such quality that it was possible to preserve this delicacy through the entire run of 250, 000 sheets, or a million single copies in all....
