### Reviews

*It is great and fantastic. I actually have read and so i am certain that i am going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.*

Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. We are not told the truth of the reality of who we are and what this universe of ours, including our beautiful blue planet, offers us. The universe is in God, for there was nowhere else for it to be when the source of everything created this universe, including both its space and time. Before that act of creation there was nothing here, as the tell-tale echoes of energy waves bouncing off what previously existed do not seem to exist. Not only that, but the scientists and theologians working at the leading edge of both science and spirituality tell us that God is in this universe at the level of the sub-atomic particles and on up, all the way to the ends of the universe. As well, God is involved in the ongoing creation processes of this universe, because change is the real essence of where we are. Virtually everything that we think that we know about this universe of ours, including planet earth, is badly limited and reality is not what we see, hear, sense, smell, etc. - in fact reality is very much different from what we sense. We see a piece of solid iron and think that it really is solid but, if all of the mass of iron were placed in the center of a huge football stadium, it would be smaller than a too-small-to-see mote of dust in mid-air in that stadium's open space. We also hear less than is possible, over the full range of sound, sense only a limited part of the roughness, smell just a fraction of what produces volatile compounds, and so on. We...
