PYTHON PROGRAMMING: GETTING STARTED FAST WITH LEARNING OF PYTHON PROGRAMMING BASICS IN NO TIME (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Python Programming Getting started FAST With Learning of Python Programming Basics in No Time This book is about Python programming. Sample programs have been used to make understanding easy. The language used is simple such that both beginners and experts can understand it. The book begins by defining what the language is and its features, what makes it different from other languages. The origin of the language, including the people behind its development is explored. You will get to know how to set up your programming environment before starting the actual programming. Since the language is object-oriented, the use of classes in Python has been discussed in detail. Functions, which make the work of programming in Python faster and easy, have also been explored. Logic programming by use of control flow has been discussed deeper. Python dictionaries have been discussed with no detail left out. The book will guide you on how to compose an email in Python and send it to a recipient (s). Most programmers don t know how to catch exceptions and handle errors. This book has discussed this in detail and you will become an expert in this after reading the book. The book has discussed how to create amazing Graphical User Interfaces (GUIs) using Python code and how to play around with this feature. Most widgets which can be added to the GUI window have been discussed. After reading this book, you will get to know how to create a MYSQL database table, insert into the table, query the database, update its contents and as well as delete the contents contained in it. The following topics have been discussed in...
