

Cultural Distance and Cross Border Strategic Alliances

By Junaid Javaid

GRIN Verlag Sep 2013, 2013. Taschenbuch. Book Condition: Neu. 211x148x5 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2013 in the subject Business economics - Business Management, Corporate Governance, University of Bedfordshire, course: MSc International Business & Management, language: English, abstract: In the environment of Global Markets, the concept of International Joint Ventures (IJV) is appearing as a common phenomenon and there is a huge number of corporations who are successful in experiencing considerable growth and expansion through this strategic form of alliances. This report is made in accordance with context of cultural differences in an approach to investigate the phenomenon that to measure the degree of influence of cultural differences on the performance of International Joint Venture (IJV) at both context (National Level Culture & Organisational Level Culture). Cuplan (2002) described International Joint Venture as a process which involves the inclusion of two or more companies from different countries who come together on the single platform with the intention of contributing each other resources and capabilities in creating a separate Business Unit. The process involved in this strategic alliance can be evaluated and analysed through various ways but the...
