TREATISE ON PROBABILITY, VOL. I

Atlantic Publishers & Distributors (P) Ltd., 2012. Softcover. Book Condition: New. Probability theory is a well-established branch of mathematics that finds applications in a wide area of scholarly activities such as in physics, chemistry, geology, medicine, economics, sociology, engineering, operation research, etc. With his insightful exploration of the probabilistic connection between philosophy and the history of science, John Maynard Keynes, perhaps the best known of economists, breathed new life in the study of both these disciplines. His A Treatise on...
