*Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.*

She grew up feeling unworthy and desperate to belong. When her three-year-old son wondered why she was white and the rest of the family black, she struggled with an answer. At age 50, divorced and discouraged, she knew she had to make a change, a dramatic one, and she did what few have the courage to do. She joined the Peace Corps and traveled throughout Asia and the Middle East for seven years, an opportunity chockfull of rich experiences and personal growth. To her amazement, she discovered she fit in everywhere. Through deeply moving stories imbued with humor and grace, Pat Holland Conner will transport you to exotic parts of the world where acceptance of others transformed her life spiritually, emotionally and mentally from fear and alienation to self-acceptance and approval.
