Now and again, we could all use a little help and love from our friends and these postcards are a great way to give support and encouragement. It all began when artist Emm Roy asked followers of her popular Tumblr, What s bothering you? When readers answered, she drew them comforting doodles in hopes that her positive messages would be shared and they were, with each one being liked and reblogged thousands of times across multiple platforms. Then Emm s fans requested a real-world way to send her heartfelt messages to loved ones . . . and this adorable, graphic collection is the result. Mail a postcard to anyone who needs a reminder that I think you re awesome. So that means you are!.
