Brand New Book ***** Print on Demand *****.To Dance with Ugly People is a No.1 Best Seller in the African/American Women s Fiction list. This novel is a book in which I was able to express a new divine awareness. I realized I had experienced a lot in life that had left me strewn and unsettled; the book brought about the resurgence of a strong feeling of cohesion. In this book I have tried to present some of the elementary principles of human nature that can be outside of perceiving, but not outside of holding dear, I call it Ugly People. For example, the violence of feelings, the slave of passion and the dark tyranny of despair. My life might not have been full of ease and luxury; but I preferred to glorify my existence, as I lived it, enticed by the wealth of experiences placed in my path. Watching the world around me, I became interested in Fate. Stories, of the sudden deaths of the rich and famous awakened even more trains of thought on Destiny. We strive to travel, what we think are the right paths in life, but, does destiny have to have the final say? Is fate everywhere we are, involved in everything we do and not only just the end? What do you think? On, that same note, I would answer, Yes, it does! And so this book was born. I could feel my heart glow with excitement and enthusiasm as I wrote this book. I hope you enjoy reading it as much as I enjoyed writing it.
