Geko Maran Publishing, United States, 2015. Paperback. Book Condition: New. Marjanara (illustrator). 234 x 156 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A word of caution before you read any of the books from The Learning From Our Mistakes Series. In case you haven't realised already most real children are not cute or cuddly. In fact most are rather grubby, and ill-mannered. They tend to be born with rotten and embarrassing habits. The Learning From Our Mistakes Series lifts the lid on these rascals and reveals their true nature. Forget the fairy tales; see how children really are! The series is a collection of short, fun, illustrated stories about kids who are anything but cute or cuddly. In other words, it is about real kids with real problems. There are rotten boys and smelly girls, all of them as real as the wind and the rain, so please be warned! Though you may be shocked, or even horrified by what you read, remember the stories are fun, and strangely educational in their own odd way, sometimes with a moral or health-related take-home message. Kids and adults of all ages should find these tales enjoyable. But there are a number of important provisos. It is worth remembering not to expect your life, or that of the children in your family, to suddenly change for the better on account of the books in this series. Piddling Patrick is the first book in this series. It is the tale of a five year old boy who always ignores his full...
