## In the Wake of the Day

By John Ash

Carcanet Press Ltd. Paperback. Book Condition: new. BRAND NEW, In the Wake of the Day, John Ash, "In the Wake of the Day" is a book of memories and journeys; from the chaotic energy of urban life in modern Istanbul, where John Ash lives, to the ruins of vanished civilisations; from personal incident to the narratives and vacancies of cultures. Ash inhabits the fertile and ambiguous territory where East and West meet. We 'know and do not know' the past. In an 'imperial city without empire, place of paradox', time too becomes fluid. The ancient, half-imagined past of Ur, Alexandria, Cappadocia coexists with a contemporary world in which 'tank tracks are driven over Babylon'. At the centre of this collection are John Ash's versions of poems by the great Alexandrian C.P. Cavafy. Working with Cavafy's voice, Ash expresses his own urbane intelligence.

### Reviews

*An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.*

-- **Beverly Hoppe**

*Extremely helpful for all class of individuals. Better than never, though I am quite late in starting reading this one. I realized this publication from my iPad and dad suggested this ebook to discover.*

-- **Adela Schroeder II**
