Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Covenanters, Vol. 1 of 2: A History of the Church in Scotland From the Reformation to the Revolution The first edition of The Covenanters had a gratifying reception from students of Scottish history. The late Mr. Andrew Lang thus characterised it: - The truth about the Reformation and about the whole unhappy history of Scotland from 1540 to 1690 is not ce qu un vain peuple pense. Dr. Hewison s two lordly volumes on that period, The Covenanters, give only the traditional view expressed with extraordinary vigour and rigour. The demand, expressed in many quarters, that the general public should acquire this work in a cheaper form, has led to the preparation of this edition. The volumes are substantially the same as their predecessors. It was necessary, however, to make some emendations; and, as a result of a fresh survey of authorities and the study of recently discovered historical data, to give a new setting to some memorable episodes, as well as to modify the characterisations of some distinguished personages. The publication in 1911 of the Diary of Sir Archibald Johnston of Wariston has necessitated changes in the account of the first subscription of the 1638 Covenant. A completer list of examples of the Covenants still preserved is furnished in Appendix iii and iv, Volume i. Appendix vii, Volume i., has also been rewritten. The book will again have achieved its purpose if other readers can homologate the criticism of Professor Herkless (The Glasgow Herald, March 17, 1908). About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical...
