Commander VK Jaitly, 2015. Soft cover. Book Condition: New. 22 cms. 164pp. This book can be considered as a 'Self Help Book' that can take you to the great heights that you had dreamt off in your childhood or at some stage in your life. The title of the book 'We Can! We Can!' itself gives you a lot of energy, enthusiasm and energy. If you don't believe me, just look at the title and shout three times at the top of your voice, 'We Can! We Can!' and see the miracle will start working in your life. Don't get into the process of analysing why 'We' and why not 'I' in the title. Too much of 'I' 'Me' 'My' may lead you to a certain level but ultimately it is 'We' that does the wonder. An individual is a very small speck in this universe. Any individual, however great and intelligent s/he may be, can never aspire to do great things without a team work. So here it comes the importance of 'We' and therefore the title 'We Can! We Can!'. This book can actually change the course of your life. I have given a large number of motivational talks titled 'We Can! We Can!' to a highly diverse audience in the corporate, in colleges and universities and even to senior students of schools. I had the opportunity of giving these motivational talks to workers, industrialists, doctors, engineers, professors, teachers, management experts and even large family gatherings. The response everywhere was overwhelming. The feedback, I got was like an elixir for me and that further motivated me. I was convinced that I was on the right track. Sometimes a few members from the audience asked me if I had written a book on the subject. That is what triggered...
