Dover Publications, 2000. Soft cover. Book Condition: New. 80pp Dover Thrift Edition. [In stock in Australia, for immediate delivery] The lovable old rogue of Shakespeare's 'Henriad' trilogy, Sir John Falstaff, returns to take centre stage in this lively farce. A good-natured satire of the vices of hypocrisy and lechery, the play depicts the portly knight's comic come-uppance when he attempts to seduce a pair of well-to-do country housewives. These Thrift Editions are useful workshop or rehearsal tools - you may be reluctant to annotate more expensive versions (or throw them around with thespian abandon), but these hardy and handy editions don't mind that treatment at all!.
