Brand New Book ***** Print on Demand *****.What s the purpose of staying young, you ask. Well, there are a lot of positive aspects of staying young in a person s life. Staying young is something that is in demand now. There are many ways that you can look and feel that way, especially without having to shell out a lot of money. How you do define being young ? Being youthful describes a state of mind, body and heart. Being young usually refers to being healthy and that your mind is sharp. It is important to a lot of people as to why they would not want to age. Some people know that aging can present some effects that they don t want others to see. It can also slow them down from functioning, which is something a lot of people don t want.
