BRAND NEW, Going to the Doctor: Us Edition, Catherine MacKenzie, The second book in the series following on from the bestselling Rainforest AdventuresChildren are fascinated with the natural world around them and with facts and information about animals that they have never seen. However often good nature programmes on T.V. or articles in magazines centre on evolution and completely ignore the Creator. Each story has a Bible verse and lesson for the reader to take away. Written by someone who spent his life in the Rainforest this book has the added benefit of being written by someone who has been there lived there and experienced the culture not just someone who has read the encyclopaedias.
